TXRC is a state agency whose authority and appropriations are subject to actions of the Texas Legislature. If TXRC becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds which would render TXRC's or bidder's delivery or performance under the contract impossible or unnecessary, the contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this Section, TXRC will not be liable to bidder for any damages, which are caused or associated with such termination, or cancellation and TXRC will not be required to give prior notice.

15. TEXAS PUBLIC INFORMATION ACT:

Notwithstanding any provisions of this IFB to the contrary, bidder understands that TXRC will comply with the Texas Public Information Act (Chapter 552, Gov't Code) as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. Within three (3) days of receipt, bidder will refer to TXRC any third party requests, received directly by bidder, for information to which bidder has access as a result of or in the course of performance under any contract resulting from this IFB. Any part of the solicitation response that is of a confidential or proprietary nature must be clearly and prominently marked as such by the bidder.

16. CONFLICT OF INTEREST:

Under §2155.003, Gov't Code, a TXRC employee may not have an interest in, or in any manner be connected with a contract or bid for a purchase of goods or services by an agency of the state; or in any manner, including by rebate or gift, accept or receive from a person to whom a contract may be awarded, directly or indirectly, anything of value or a promise, obligation, or contract for future reward or compensation. Any individual who interacts with public purchasers in any capacity is required to adhere to the guidelines established in Section 1.2 of the State of Texas Procurement Manual, which outlines the ethical standards required of public purchasers, employees, and bidders who interact with public purchasers in the conduct of state business, and with any opinions of or rules adopted by the Texas Ethics Commission. Entities who are interested in seeking business opportunities with the State must be mindful of these restrictions when interacting with public purchasers of TXRC or purchasers of other state agencies.

17. FORCE MAJEURE:

Neither bidder nor TXRC shall be liable to the other for any delay in, or failure of performance, of any requirement included in any contract resulting from this IFB caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence,

such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

BIDDER SHALL COORDINATE ITS DEFENSE WITH THE TEXAS ATTORNEY GENERAL AS REQUESTED BY TXRC. THIS SECTION IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE BIDDER TO INDEMNIFY OR HOLD HARMLESS THE STATE OR TXRC FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF TXRC OR ITS EMPLOYEES.

20. RIGHT TO AUDIT:

In addition to and without limitation on the other audit provisions of this IFB, pursuant to §2262.003, Texas Government Code, the state auditor may conduct an audit or investigation of the bidder or any other entity or person receiving funds from the state directly under this contract or indirectly through a subcontract under this contract. The acceptance of funds by the bidder or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the bidder or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. This IFB or any contract resulting from this IFB may be amended unilaterally by TXRC to comply with any rules and procedures of the state auditor in the implementation and enforcement of §2262.003, Texas Government Code. Bidder will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the bidder and the requirement to cooperate is included in any subcontract it awards.

21. ACCESSIBILITY STANDARDS

Vendors of Electronic and Information Resources (EIR) are required to supply detailed information on how their proposed products, services, and solutions address the requirements of Section 508 of the Rehabilitation Act of 1973 (revised).

For each EIR product or service included in solicitation responses that are subject to Texas Administrative Codes 1 TAC 206 and 1 TAC 213 (which include the US Section 508 technical specifications), the vendor shall provide documentation of how each requirement or specification is met. It is the Vendor's responsibility to maintain the integrity of any accessibility documentation provided to TxRC. Any documentation shall be considered a self-attestation unless expressly affirmed otherwise.
